## YOUR POSSESSIONS POLICY

This document forms part of **your possessions policy** and should be read in conjunction with **your schedule**. **Your schedule** indicates the **sum insured** for **personal possessions** with any optional covers chosen. **Your** policy tells **you** exactly what is and what is not covered and how **we** will settle claims and other important information.

## COVER PROVIDED

**You** need to be aware that all contracts of insurance are subject to certain exclusions and conditions. It is therefore essential that **you** are fully aware of what is and what is not covered. **We** have set out 'what is covered' to the left of each page and 'what is not covered' to the right. **We** have listed words with special meanings under 'definitions' on pages 5-8; they are printed in **bold type** whenever they appear in the policy.

There are some general exclusions which apply to all sections of **your** policy and **we** have listed these on pages 19 & 20.

There are conditions of the insurance that **you** will need to meet as **your** part of this contract. The conditions set out when **we** would cancel **your** policy (page 18) and when **you** must tell **us** of a change of address (page 19). Please take the opportunity to read the Policy Conditions.

## SECTIONS OF YOUR POLICY WHICH APPLY TO YOU

The sections, which apply to **you**, are shown on **your schedule**. **Your schedule** indicates the **sum insured** for **personal possessions**, specified items and **computer equipment**, together with any optional covers chosen and additional special terms which may apply.

**You** must read **your possessions policy, schedule** and any **endorsements** together to ensure that the cover meets **your** requirements and that the details are correct. If they are not **you** MUST contact **us** immediately. **Your possessions policy, schedule** and any **endorsements** are the basis of the contract between **you** and **us** - please keep them in a safe place.

**We** hope that **you** are happy with the cover this policy provides. However, if after reading this document and **your schedule**, this insurance does not meet with **your** requirements, please return it to cover4students.com within 14 days of the start date, or if later, within 14 days of the date **you** receive this document and **your schedule** and providing **you** have not made a claim and do not intend to make a claim, **we** will refund **your** premium in full.

**You** can cancel after the 14 day 'cooling-off' period and **you** may be entitled to a proportionate refund of **your** premium, less an administration fee. Please see General condition 5 on page 24.

## SEVERAL LIABILITY

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

## GUIDANCE WHEN MAKING A CLAIM

### Claim Notification

Conditions that apply to the policy and in the event of a claim are set out in **your** policy booklet. It is important that **you** comply with all policy conditions and **you** should familiarise yourself with any requirements.

Directions for claim notification are included under claims conditions. Please be aware that events that may give rise to a claim under the insurance must be notified as soon as possible although there are some situations where immediate notice is required. Further guidance is contained in the policy booklet.

Claims conditions require **you** to provide **us** with any assistance and evidence that **we** require concerning the cause and value of any claim. Ideally, as part of the initial notification, **you** will provide:

- **Your** name, address, and **your** home and mobile telephone numbers
- Personal details necessary to confirm **your** identity
- Policy number
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Gardai details where applicable
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses.

This information will enable **us** to make an initial evaluation on policy liability and claim value. **We** may however request additional information depending upon circumstances and value, which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs, bank or credit card statements or utility bills
- Purchase dates and location of lost or damaged property
- For damaged property, confirmation from a suitably qualified expert that the item **you** are claiming for is beyond repair.

Where **we** have asked **you** for specific information relevant to **your** claim **we** will pay for any reasonable expenses **you** incur in providing **us** with the above information.

Sometimes **we**, or someone acting on **our** behalf, may wish to meet with **you** discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

## Preferred Suppliers

We take pride in the claims service we offer to our customers. Our philosophy is to repair or replace lost or damaged property, where we consider it appropriate, and we have developed a network of contractors, repairers and product suppliers dedicated to providing claim solutions.

Where we can offer repair or replacement through a preferred supplier but we agree to pay our customer a cash settlement, then payment will normally not exceed the amount we would have paid our preferred supplier.

## BASIS OF SETTLING CLAIMS

### How we settle claims for Personal Accident

1. **We** will pay any benefit under this policy to **you** if **you** are living, otherwise to **your** estate.
2. Interest will not be added to any amount payable.
3. **We** shall only pay one benefit in connection with the same **accident**.
4. **You** must produce for **us** any medical certificates and other evidence which may be required to support **your** claim. In addition **you** must submit to a medical examination at **our** expense as often as is required in connection with any claim.
5. If an **accident** happens which gives rise to a claim and for which **we** make payment under permanent total **disablement** or total loss of one or more limbs or eyes, the policy shall cease to apply.

### How we settle claims for mobile phones and games consoles.

1. Replacement Equipment - If a mobile phone/games console cannot be replaced with an identical mobile phone/games console of the same age and condition, **we** through **our** preferred suppliers, will replace it with one of comparable specification or the equivalent value taking into account the age and condition of the original mobile phone/games console. **We** cannot guarantee that the replacement mobile phone/games console will be the same colour as the original item. Where an equivalent refurbished item is not available, **we** will replace with new.
2. Repairs - Repairs will be carried out using readily available parts. Where possible **we** will use original parts but in some cases, unbranded parts may be used.
3. If **we** agree not to repair or replace an item, **we** will make a cash or voucher settlement equal to the cost **we** would have paid for replacement or repair through **our** preferred suppliers.
4. Where an **excess** applies, this will be taken off the amount of **your** claim.

### How we settle claims for all other sections of the policy.

1. If an item has been damaged and it can be economically repaired **we**, cover4students.com or their representative will either arrange or authorise repair and **we**, cover4students.com or their representative will pay the cost of repair.  
Otherwise, **we**, cover4students.com or their representative will replace the item with a new one of similar quality through **our** preferred suppliers, or **we**, cover4students.com or their representative will pay the replacement cost of a new item of similar quality.  
If **we**, cover4students.com or their representative agree not to repair or replace an item, **we**, cover4students.com or their representative will make a cash or voucher settlement equal to the cost **we** would have paid for replacement or repair through **our** preferred suppliers.
2. **We**, cover4students.com or their representative will not pay the cost of replacing or changing undamaged items or parts of items which belong to a set, suite or which have a common design or use such as suites of furniture and carpets which are only damaged in one area, when the loss or damage relates to a specific item or part of one item or to a clearly defined area.
3. **We**, cover4students.com or their representative will not pay for any loss of value to any item, which **we** have repaired or replaced.
4. Where an **excess** applies, this will be taken off the amount of **your** claim.
5. If loss or damage happens and the **sum insured** on **your schedule** is less than the cost of replacing all **your** possessions as new, **we**, cover4students.com or their representative will, where appropriate, take off an amount for wear and tear from the cost of the new item unless the item can be economically repaired when only the cost of the repair will be paid.

The most **we**, cover4students.com or their representative will pay for any one claim is the amount it will cost **us** to replace all **your** possessions as new but not more than the **sum insured** and any limits shown in **your schedule**.

## GENERAL CONDITIONS APPLICABLE TO YOUR WHOLE POLICY

These are the conditions of the insurance **you** will need to meet as **your** part of this contract. If **you** do not, a claim may be rejected or payment could be reduced. In some circumstances **your** policy might be invalid.

### 1. The Value of Your Property

**You** must notify **us** immediately if at any time the **sums insured** for **your personal possessions, computer equipment**, and **all risks** extensions are less than the cost of replacing all these items as new, except for clothing and household linen, rented goods and **college/university** property on loan where a deduction will be made for wear and tear.

If at any time the **replacement value** exceeds the **sum insured** on **your schedule**, in the event of a claim, **your** financial position could be seriously prejudiced by the application of the average condition.

### 2. Average

**We** will not pay more than the total **sum insured** stated on **your schedule**. If at the time of a loss or damage **you** own or are legally responsible for **personal possessions, computer equipment**, and **all risks** items, which in total has a greater value than the **sum insured**, **we** will only be able to settle claims at the percentage **you** are insured for. For example, if the value shown on **your schedule** only represents 80% of the full replacement cost, then **we** will not pay more than 80% of **your** claim.

### 3. Taking care

**You** must at all times

- a) Take all steps to prevent **accident**, loss or damage.
- b) Take all steps to ensure that all external doors and accessible windows to the **insured address** or the building, which contains the **insured address**, are fitted where possible with adequate locks, which should be left operative whenever the **insured address** is left **unoccupied**.
- c) Maintain all the property insured in a sound condition and allow **us** to have at all times access to it.
- d) On discovery of any event which may give rise to a claim **you** must without delay:
  - i. Give written notice to **us** stating all particulars known to **you**.
  - ii. If any part of the property insured is lost, stolen, or damaged by thieves, notify the Gardai immediately and do everything possible to discover any guilty person and recover the missing property.
  - iii. Supply to **us** all such proofs, information and other evidence relating to the claim as **we** may require. Where **we** have asked **you** for specific information relevant to **your** claim **we** will pay for any expenses **you** incur in providing **us** with the information.

No claim can be settled unless notified to **us** in accordance with the terms of this condition.

### 4. Fraud

If any claim is in any respect fraudulent or if any fraudulent means or devices are used by **you** or anyone acting on **your** behalf to obtain benefit under this policy all benefit to **you** will be forfeited.

### 5. Cancellation

- a) Please refer to the 'Fraud condition' above. **We** may also cancel the policy where **we** have identified serious grounds, such as:
  - i) failure to provide **us** with information **we** have requested that is directly relevant to the cover provided under this policy or any claim;
  - ii) the use or threat of violence or aggressive behaviour against **our** staff, contractors or property;
  - iii) the use of foul or abusive language;
  - iv) nuisance or disruptive behaviour

**We** will contact **you** at **your** last known address and, where possible, seek an opportunity to resolve the matter with **you**. Where a solution cannot be agreed between **us**, **we** may cancel the policy by giving **you** 14 days' notice.

This will not affect **your** right to make a claim for any event that happened before the cancellation date. If **we** cancel the policy **we** will refund premiums already paid for the remainder of the current **period of insurance**, provided no claim has been made during the current **period of insurance**.

- b) **You** can cancel this policy within 14 days of the start date, or if later, within 14 days of the date **you** receive this document and **your schedule**. **We** will refund any premiums **you** have paid, as long as **you** have not made a claim and do not intend to make a claim.

**You** can also cancel **your** policy at any other time and provided no claim has been made during the current **period of insurance**, **you** will be entitled to a refund of a proportion of the premium **you** have paid, subject to a deduction of one twelfth for each month of cover **you** have received; or part thereof; plus a €12.50 administration fee.

## 6. Arbitration

If any difference arises as to the amount being paid under this policy (liability being otherwise admitted) such difference will be referred to an arbitrator to be appointed by the parties in accordance with any statutory provisions for the time being in force. Where any difference is by this condition to be referred to **arbitration** the making of any award shall be a condition precedent to any right of action against **us**.

## 7. Change of address

**You** must notify **us** of any change of address in writing within 14 days if cover is to apply in any address other than the **insured address**.

## 8. Financial Sanctions

**We** will not provide any cover or be liable to provide any indemnity, payment or other benefit under this policy where doing so would breach any prohibition or restriction imposed by law or regulation.

If any such prohibition or restriction takes effect during the **period of insurance we** may cancel this policy immediately by giving **you** written notice at **your** last known address. If **we** cancel the policy **we** will refund premiums already paid for the remainder of the current **period of insurance**, provided no claims have been paid or are outstanding.
