What do we mean by taking care of your gadget or mobile phone?

You must:

- Not knowingly leave **your gadget** or **mobile phone** anywhere it is likely to be lost, stolen or damaged.
- If **you** need to leave **your gadget** or **mobile phone** somewhere, lock it away out of sight if at all possible. If **you** cannot lock it away then **you** must leave it hidden out of sight in a safe place.
- Make enquiries to find **your gadget** or **mobile phone** if **you** think **you** have lost it.

Reasons why your claim may not be paid

We will consider the individual circumstances surrounding **your** own claim when deciding whether or not **you** have taken care of **your gadget** or **mobile phone**, and whether or not **your** claim can be accepted.

We cannot list all reasons why **your** claim may not be paid. However, if **you** knowingly take a risk with **your gadget** or **mobile phone**, **we** may not pay **your** claim. **We** have provided some examples below of where **we** would consider **you** to have knowingly taken a risk with **your gadget** or **mobile phone**:

- In a cafe or pub, **you** leave **your gadget** or **mobile phone** on the table when **you** go to the counter, the bar or the toilet instead of taking it with **you**.
- **You** leave **your gadget** or **mobile phone** on a bench in the changing rooms at the gym rather than taking it with **you** or locking it in a locker.

- All claims must be reported to the **claims administrator** as soon as possible but in any event, within 14 days of **you** becoming aware of an incident. **You** must complete a claim form (in full) and provide at **your** own expense, any information and assistance which the **claims administrator** may require in establishing the amount of any payment under **your** insurance.

Other Insurance

If, at the time of a valid claim under this policy, there is another insurance policy in force which covers **you** for the same loss or expense, **we** may seek a recovery of some or all of **our** costs from the other insurer. **You** must give **us** any help or information **we** may need to assist **us** with **our** loss recoveries.

You may be asked to provide details of any other contract, guarantee, warranty or insurance which may apply to the **gadget** or **mobile phone** including, but not restricted to, household insurance.

Fraudulent Claims or Misleading Information

We take a robust approach to fraud prevention in order to keep premium rates down so that **you** do not have to pay for other people's dishonesty. If any claim made by **you** or anyone acting on **your** behalf under this insurance is fraudulent, deliberately exaggerated, or intended to mislead, **we** may:

- not pay **your** claim; and
- recover (from **you**) any payments **we** have already made in respect of that claim; and
- terminate **your** insurance from the time of the fraudulent act; and
- inform the police of the fraudulent act.

If **your** insurance is terminated from the time of the fraudulent act, **we** will not pay any claim for any incident which happens after that time and may not return any of the insurance premium(s) already paid.

Replacement Equipment

We will attempt to replace **your** gadget or **mobile phone** with an identical new or fully refurbished **gadget** or **mobile phone** of the same age and condition, but it may not be the same colour.

In the unlikely event that this is not possible, the **claims administrator** will provide **you** with a new or fully refurbished **gadget** or **mobile phone** of a comparable specification or the equivalent value, taking account of the age and condition of **your gadget** or **mobile phone** immediately before **your** claim.

Section 7 - Cancellation Of The Policy

Your Cancellation Rights

You can cancel **your** policy within 30 days of the policy **start date** or, if later, 30 days of the date **you** receive this Policy Document. **We** will refund any premiums **you** have paid as long as **you** have not made a claim and do not intend to make a claim.

You can also cancel **your** policy at any other time and providing that no claim has been made, **you** will be entitled to a portion of **your** premium back for the unexpired **period of insurance**.
